Annual Tuition Fees Per Student After Sibling Discount

First Child (Eldest)

School Development Fund

The School Development Fund contribution allows us to offer current and future students access to facilities that support and enhance their learning. For 2024, the School Development Fund contribution is set at \$150 per student. Sibling discounts apply to this contribution; however, the contribution is not tax deductible as it is a mandatory payment. Students commencing at any time during a school year shall make the full annual contribution.

Resource Levy

The Resource Levy covers some of the fixed costs of the school's compulsory learning program. It includes but is not limited to items such as excursions, camps, sports, in-term swimming, work experience, online subscriptions and other resources that complement the delivery of the academic program. Students commencing at any time during a school year shall make the full annual levy.

Stationery Levy

All families of students from Kindergarten to Year 6 will have a Stationery Levy of \$125 per student. Students in Year 7-12 will have a Booklist. Students commencing at any time during a school year shall make the full annual levy.

Co-Curricular Activities

Students have the opportunity to participate in co-curricular activities organized by the school and/or in conjunction with community groups. Most of these activities are free, with some incurring a cost.

Tax Deductible Building Fund Contributions

Voluntary donations to our School Building Fund are welcomed and tax deductible if over \$2.

Other Terms & Conditions

Enrolment Fees

Parents seeking to enrol their child(ren) at a SCEA school shall make an application and attend any interviews as a part of the enrolment procedure required by the school.

When a place or places are offered to the first child(ren) in any family, a non-refundable Enrolment Fee of \$670 per family shall be paid by the parent/guardians to confirm acceptance of the place or places offered. Payment of the Enrolment Fee shall guarantee enrolment of the child(ren) being offered a place at that time and does not guarantee acceptance of any subsequent applications. Enrolment fees are not refundable.

Additional Charges and Levies

Some curricular activities, excursions, camps, books, consumables, levies and other activities may be charged separately and are not included in the above tuition fees schedule. These costs are not subject to any discounts. These items will be billed separately and listed on your tuition statement.

Commencement During School Term

Where a new student commences part way through any term, a pro-rata tuition fee will be calculated on a weekly basis. A full annual contribution to the School Development Fund and Levies will apply to students commencing part way through the year.

Notice of Withdrawal

At least one school term's notice (calculated as 10 tuition weeks) of the intention to withdraw a student from the College must be given to the Principal in writing - verbal notice is not accepted. For example, if a student will not be continuing from Term 1 the following year, notice must be given to the College by the first day of Term 4 in the current year. Failure to give notice will render parents/guardians/fee payers nominated on the enrolment contract liable for one term's fees in lieu of notice.

Variation of conditions

As per the Parent Code of Conduct, all fees are reviewed annually. SCEA will provide details of the charges applicable to a school year before it commences in February.

Late Payment Fee

Where fees remain unpaid by the end of a term, a late payment fee of \$50 per month may be charged until all overdue payments are made.

Bank Fees

SCEA reserve the right to recover fees from banks or other institutions from parents/guardians/nominated fee payers.

Collection Fees

Any expenses, costs or disbursements incurred by the Association in recovering any outstanding monies including debt collection fees and solicitors' costs will be paid by the debtor.
